RACE: Regatta Center Criterium

24 degrees and not much wind but high humidity tonight. The predicted thunderstorms didn't eventuate so racing conditions were good. The usual high numbers in all grades made for another good night of racing.

A GRADE

A break went early on (2nd lap I think?) with Cody Stevenson, Pete Milostic, Jason Lindsay and Trent Butler. Initially the gap was bridgeable but soon became less so. For a few laps there were a number of riders trying to get across the gap in one's and two's. A small move went with Kim Parslow, Rob Brewer, Matt Hooker and Mike Stacey but was reeled in after half a lap or so. All other bridging efforts were brought back and the 4 leaders held off for line honours.
