RACE: Regatta Centre Criterium

A pretty hot day but it has cooled down enough by 6.30 to make racing conditions good - except for the stiff south easterly blowing down the back straight!

A GRADE

Quite a bit of attacking going on but also alot of chasing and no-one got away save for Cody and a couple of others just before the end of the back straight on the last lap. As soon as they got into the tailwind and hit top speed, the bunch was going to have a hard time pulling them in and they stayed clear to the finish.
