

Friendly and competitive cycling for all ages in Sydney's West

**DATE: 2005-08-14**

**RACE: Regatta Centre Road Race**

2.5 degrees C at 7.45 this morning meant the turnout wasn't a bumper one but still enough punters for 5 grades. Congratulations to all who braved the cold.

##### **80km**

A cold start meant the first half of the race was pretty easy, but not for Kim Parslow, Scott Parslow and A. Nother who were up the road from the second lap. A move of 4 went across the gap about halfway through the race and the bunch behind also made the junction. Within half a lap Eddie Salas had attacked and Kim Parslow, Trent Butler and Andrew Payne jumped on. This was the move that stuck, the main bunch seeming content to let them ride away and yet wanted to chase anyone down who rolled through too hard. The 4 in front split with 2 to go with Payne and Salas going clear and leaving Parslow and Butler to tempo in to the finish. 5th place went away from the main bunch with half a lap to go.
