A warm night with the usual summer easterly blowing into the back straight. Another good turn out.

#### B GRADE

Thanks to Steve Moon for the B grade report

A smaller bunch and less wind saw more aggressive attacking and counter attacks come earlier on. A few buried themselves to bring any breaks back with the bunch happy to be dragged along. Just when it looked like the usual sprint for the line was up, a lone ranger attempted to defy the odds with a huge effort off the front which near succeeded but for a mere hundred metres or so, with the bunch lucky to make the move to cover when they did.
