RACE: Regatta Centre Criterium

The first night of the summer criterium season kicked off with cool and blustery conditions perfect for racing. Numbers weren't all that high, about 78 all up I think.

More surges saw this split to 2 off the front and 7 chasing with a lap or so to go. The last 2 laps were raced at an average of 41.1kph and the last lap nearly 42.
