RACE: Summer Crits - Round 3

There were 117 riders turned up to race on a cool evening - delightful! Slight headwind up the finishing straight.

A GRADE

Attacks went in A grade from the start with Duncan Houston attacking; he was caught but he kept attacking and eventually stayed away to win. Ben Green got off the front of the bunch down the back straight and held off the bunch for 2nd. The rest of the group attacked over the bridge to string the finale out making for easy judging. It was good to see Eddie Salas in the pack again.
