RACE: Regatta Centre Road Race

A very chilly morning after some rain overnight but a good turn out all the same. Not much wind so conditions were fast.

A GRADE

The break went after about 45 minutes covered. Initially 3 or 4 went away then slowly a few more went across alone without dragging the bunch along. The group was 7 strong and worked well after a few laps of settling in. The break stayed clear for the rest of the race (some 55km) averaging around 42.5kph. 6 of the 7 finished and the chase was a strong one especially over the last few laps, driven largely by Kim Parslow and Co.
