RACE: Regatta Scratch Races

Early morning rain kept a few punters in bed this morning but the turn out wasn't too bad considering. Luckily, the rain stopped just prior to racing.

A GRADE

An early move by Andrew Payne and Geoff Turnbull (Waratah Vets) went away and was chased by the Macarthur squad. It was a fine effort by these 2 as we were averaging around 40.5kph in the bunch and the Macarthur boys were working pretty hard. Finally, after the wind shifted to tail on the back straight and the pace went up to 50kph, they were reeled in after being out there for about 45km.

Shortly after, Trent Butler attacked with A. Non. Stacey jumped across and these 3 worked for a while then A. Non was dropped. The remaining 2 got a good gap and Payney jumped the bunch (again!) and got across the gap. The 3 man break worked for the remaining 3 laps until 1 to go when Butler started his usual attacking. Eventually the elastic snapped and he rode away with about half a lap to go.

Most aggressive rider: Payney.
