RACE: Regatta Centre Criterium

Good racing weather this evening for the first race of the series, cool and only a slight headwind down the back straight. As usual, a very good turn out allowing 5 grades to start.

A GRADE

Fast racing and a large bunch made it all but impossible for a break to get away. A few tried early on until it settled down to a pretty constant tempo. A last minute move down the back straight very nearly succeeded but was swamped on the line by a fast moving sprint.
