DATE: 2006-02-13 **RACE: Regatta Centre Criterium**

A GRADE

Racing was on from the start with riders trying to break clear straight away. Small groups got clear but with a tailwind down the start/finish straight it was difficult to stay away. The lap after the sprint priem 6-7 riders got off the front and opened a considerable gap. With a couple of laps to go the bunch tried hard to reel them in. Some came back but 4 riders stayed clear with Eddies Salas winning the sprint. Paul conner was the best of the chase bunch. - Pete Hackney
