Penrith Cycling Club

Friendly and competitive cycling for all ages in Sydney's West

DATE: 2006-04-09 **RACE: Regatta Centre Road Race**

The first club road event of the 2006 season kicked off well with good attendance and weather. The longer format of these races is sure to be good training for the open road races coming up through the season.

A GRADE

80km

A pretty steady race where a few moves went away but were quickly shut down by the rather large bunch. A small group slipped off the front at the end of the finishing straight and a couple of them just held out for the placings.
