B GRADE

70km

About 20 starters for B grade today. A few early attacks were quickly nullified by the tandem drivers from Clarence Street Cyclery. With 25km to go a group of 6, including the tandem, got away. These were Jason Lindsay, Darren Edwards, Tandem drivers, Scott Parslow, Walter Machado and Mike Stacey. Generally the group rolled along well with some hard surges by Parslow. The group behind apparently chased very hard and shed a few riders in the process. Sly Zust and a couple of Parramatta riders being the main drivers in the chase group. At 15km to go the group were caught near the end of the back straight. A slight increase in speed just before the catch meant that Lindsay and Stacey rode clear off the front and the sting went out of the chase. They dangled about 50 - 100m off the front for a lap and then slowly pulled away to a solid advantage. On the last lap, the remaining bunch sat on A grade and very nearly reeled the two breakaway riders in!-MS
