Nice and cool for racing tonight with a bit of a headwind down the back straight. Good numbers as usual.

B GRADE

A big B grade field of 38 riders rolled up tonight. Fairly aggressive racing with an early move from the gun which only lasted a lap. Eventually Jason Lindsay, Nick Spratt and Jim Sweeney got away a lap before the sprint prime. They worked very well and stayed away but lost Jim with about 2 to go. The sprint prime was taken by Nick and Jason took final line honours. The bunch sprint was lead out from the bridge by someone for some unknown reason but meant that it was more of a drag race than a sprint. -MS
