Friendly and competitive cycling for all ages in Sydney's West

DATE: 2007-01-29 **RACE: Regatta Centre Criterium**

The usual stiff breeze up the back straight and tailwind in the finishing straight. Not too hot and a good turn out of riders again.

A much slower race than last week but still a good one. There's more attacking riders around at the moment and this makes for good racing. The chase can't cover everything when counter moves keep going up the road and eventually one stuck. With about 4 laps to go, Kim and Scott Parslow, Richard Huson and Brett Murphy went clear. Actually Brett went first to take the sprint priem and eventually came back to the bunch while the other three persisted. A good ride by these blokes who pulled out their lead each time we went up the back straight into the headwind. A last minute move by Jason Lindsay got clear just before the top corner and stayed away fro the minor placings. -MS
