Penrith Cycling Club

Friendly and competitive cycling for all ages in Sydney's West

DATE: 2007-02-26 **RACE: Regatta Centre Criterium**

It had been dry all day, but like last week, the rain started just as the racing began which meant another week of soaked gear and clothing. Congratulations to all who turned out and raced.

The early action was kicked off by Sly Zust and a couple of others who caused some havoc toward the rear of the bunch with riders being strung out single file. With about 4 laps to go, Walter Machado and David McLeod had a dig, Stacey bridged across but it all came back. Stacey and McLeod immediately put in another burst and were quickly joined by Kim Parslow. The 3 leaders settled in to a good tempo very quickly and established a solid gap. Their lead grew quite a bit and meant the bunch were faced with some serious work to get them back. With a lap to go Parslow and Stacey began one-twoing McLeod with Parslow eventually getting over the line first. McLeod rode very strongly and covered every attack bar the last.-MS
