Scott Parslow slipped away fairly early on and hung out there solo for a couple of laps. Peter Wakefield chased alone for about a lap and was then joined by Peter Illmaya and a Junior rider (sorry I'm not sure of his name?). Some mucking around in the bunch enabled Stacey to get across the gap making 5 out the front as Scott had come back to the other 3. A couple of solid laps and the gap was set and held for the remaining 30km or so. The Junior rider had to go to soccer so pulled out with 2 laps to go! A fine ride anyway mate, see you next time.
