Friendly and competitive cycling for all ages in Sydney's West

DATE: 2009-05-31 **RACE: Regatta Centre RR**

Pretty much perfect conditions with little wind. A good turn out too. This week was the first week travelling in the reverse direction which did make things a little more interesting. Harder? Not really although maybe better opportunities for breaking away.

A 3 man break apparently.

B GRADE

A 3 man break initiated by Jason Lindsay with about 50km to go laid the cards on the table for the rest of the race. Jason was soon joined by Graeme Spratt and Jordan Davis and the three built a very handy lead. Not wanting to drag anyone across the gap, Stacey attacked with about 40km to go and was then joined by Sly Zust. These two had quite a task ahead of them as the gap was large. Luckily, after some time, Jason realised two extra workers might be handy and the 3 man break slowed a bit. After a couple of laps it was 5 at the front with about 7 laps left to race. The race behind seemed to fall apart and the 5 went on to contest the finish with Graeme Spratt taking the line ahead of a very strong Jordan Davis and Sly Zust.
