Slightly different conditions to last week mainly due to the 25 degree difference in temperature. It was 39 degrees at race start and around 35 by the time the racing finished. A fresh and warm westerly breeze kept the racing lively.

B GRADE

The wind and heat took their toll on the B grade race. There were only around 12 riders left with 2 laps to go. Lindsay put in a strong surge into the headwind down the finishing straight which was countered by Stacey, Benett and Wagner. These 3 cleared off in the left hand gutter and established a good lead by the end of the straight. Wagner dropped off after 500m leaving Benett and Stacey to grind it out to the finish.
