RACE: Summer Crit Series 2013 - round 8

100 riders raced on a sunny evening with a slight wind from the East which made race conditions very good.

A GRADE

This was largest bunch of the evening. The riders went from the gun with small breaks forming straight away but did not last until on the second lap a small group of 8 riders formed, and on the 3rd lap a group of four riders formed which included Peter Milostic, Ben Green, Ben Dyball, and Eddie Salas; this group kept the speed up so no one could get across; on the 5th lap the main group got very close but could not bridge the last 200mtrs. The break than rode away.

1st	Peter Milostic
2nd	Eddie Salas
3rd	Ben Dyball
4th	Ben Green
5th	Simon Ball

B GRADE

This grade started fast with riders breaking away before the bridge but the main group reacted and chased down any breaks. At the Prim lap the race broke up into lots of groups but then came back together and continued on to a bunch sprint. (It got complicated when the main group of A grade caught them on the last lap in back straight).

2nd	Adam Footit
3rd	Chris Wilkins
